Permitted activities include advising on and arranging general insurance contracts and acting as a credit broker not a lender.

### Finance

As an FCA regulated credit broker we can introduce you to a selected group of lenders / brokers (see below) who may be able to help you finance your purchase. This group of lenders / brokers provides us with a range of products which may be suitable for your purchase. We will explain the key features of those products to you.

Close Brothers Ltd, Black Horse Limited, MotoNovo Finance Limited, Santander Consumer (UK) Plc, First Response Finance Ltd, Scott Hardy Ltd

Unless we consider it to be inappropriate given your personal circumstances, our approach is to introduce you first to the lender associated with the vehicle manufacturer who are usually able to offer the best available package for you, considering interest rates, residual valuations (where applicable) and other contributions. If they are unable to make you an offer of finance, we then seek to introduce you to other lenders on our panel. The lender we introduce you to, and available rates, will depend upon a number of factors including the vehicle, your personal circumstances and the likelihood of a lender to accept an application based on information provided. Accordingly, the options we present to you, from our limited panel of lenders, may not reflect the most competitive or impartial terms available in the market. You are not tied to funding via our panel of lenders and have the right to seek alternative options. However, in doing so, this may impact upon any offers provided by our panel of lenders in relation to deposit contributions, servicing or other schemes. We are a commercial entity that expects to make a profit from this transaction.

Consequently, lenders typically pay a commission to us for introducing you to them, calculated by reference to the vehicle model or amount you borrow. Different lenders may pay different commissions for such introductions; some lenders may also provide preferential rates to us for the funding of our vehicle stock and may also provide financial support for our training and marketing. Any such amounts they and other lenders pay us will not affect the amounts you pay under your finance agreement, all of which are set by the lender concerned. We do not charge a fee for our Consumer Credit services. We do not act as a financial adviser, or fiduciary. We act in our own interest, whichever lender we introduce you to, we will typically receive commission from them based on either a fixed fee or a fixed percentage of the amount you borrow. Any and all commission amounts will be fully disclosed to you as part of your sales journey. You will be required to give your fully informed consent to our receipt of this commission. By doing this, you acknowledge that you understand our role as a credit broker, and that we will receive a financial incentive if you take out a loan from a lender that we introduce you to.

All finance applications are subject to status, terms and conditions apply, UK residents only, 18s or over, Guarantees may be required.
